Standard processing of referrals with complete documentation is 2-3 business days. Standard process includes acceptance of referral and scheduling the patient based on next availability of our providers.

Urgent referrals can still be sent through same contact information and will be processed within 1-2 business days.

Providers are encouraged to reach us on the above information when following-up on status of their referral.

Established patients are encouraged to monitor referral status and access important health information by using GRMC's Patient Portal. Visit: <https://portal.grmc.gu/SPPUI> to register.
