- Standard processing of referrals with complete documentation is 2-3 business days. Standard process includes acceptance of referral and scheduling the patient based on next availability of our providers.
- Urgent referrals can still be sent through same contact information and will be processed within 1-2 business days.
- Providers are encouraged to reach us on the above information when following-up on status of their referral.
- Established patients are encouraged to monitor referral status and access important health information by using GRMC's Patient Portal. Visit: <https://portal.grmc.gu/SPPUI> to register.
